

# THE WALK

While they were talking and discussing, Jesus Himself  
came near and walked with them Luke 24:15

Owensboro Emmaus

February 2007

Romans 13:1 says that we are to submit to authority, because no one is in a position of authority without God's approval. That subject brings us to laws, and then, ultimately, the Law.

The laws first. In Kentucky, it is required by state law for all businesses to have a hitching post out front. In Connecticut, you can be pulled over and given a ticket for going more than 65 miles an hour on a bicycle. You can find many more laws like these online, so I won't list any more. Those laws are outdated, and now they seem silly.

That brings us to the Law. There are many who considered the Old Testament to be nice reading, but outdated. Like the laws above, it is only good for knowing how life used to be. However, Jesus says in Matthew 5:17 that He didn't come to abolish the Law, but to fulfill it. He came perform the sacrifice that was required of everyone. The thing is, His sacrifice is permanent, one time, for all people.

A little news about the website. We now have over 50 times the amount of storage, so if there are pictures that you want (they need to be Emmaus/Chrysalis related, though) we can put more on.

The Gathering will be held February 16th at 7pm in the Sanctuary of Settle Memorial. Please come and join with us as we worship God and fellowship with one another.

If you have any ideas for the newsletter, or something you would like to see in it, please let the editor know. We hope this newsletter is valuable to everyone who receives it. Yes, we say that every month, but we really do mean it. For this to be something you want to read, it is going to need to have things that interest you. We don't know what that is unless you tell us. If you want to see something, or if you don't like something, let us know.
